SCHOOL FOOD SERVICE INSPECTION REPORT

COMMENTS:

Wet towel hanging on hook by handwashing sink. Remove hook. Remind staff not to use the same hand towel for hand drying. Even if it is one person doing this. All staff should use single use towels for hand drying, whether they are paper or cloth. Using cloth towels has been approved by the health department, only under the condition that they are single use. Please develop a written policy for staff and enforce. If you have any questions, please contact me at 541-521-0353
